

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 9, 1996

SUBJECT: **SB 2196 - HB 2168**

This bill, if enacted, will allow a county with a population between 31,500 and 31,800 to remedy dangerous conditions resulting from debris on property where an owner-occupied residence is located.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the section of law amended by the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures. Such increase cannot be determined but is estimated to be not significant. This impact assumes that the bill is intended to amend TCA 5-1-115(e).

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
